Sir I understand that you say "I need to raise new issues on my half" I am asking please help me to withdraw my guilty plea. My lawyer told me to plea. Sir when I enter my plea "I was on medication" I will get a copy of the stuff I was on. Sir I am not righting you say that "I did not do a crime" I am righting to you for help of a trial please. On one of my cases the one with "Me page" He never did it wrong "I don't even suspect to have a co-defendant that was on my lawyer to say he did it. But the 1st, 4th and 5th District police made me put him there. Two people can't shoot a gun. But they can be with each other. Sir he was never there" And I will
