

Declaration of C. F. Sandy Pofahl

I, C. F. Sandy Pofahl, declare as follows:

1. I have reviewed copies of letters labeled Exhibits C, D, E, F, N, and P, which, according to Amy Ralston Pofahl, were introduced by her in a 28 U.S.C. No. 2255 Motion that she presently has before the District Court in Waco, Texas. I do verify that these letters were written by me.
2. It is true that I repeatedly tried to contact and communicate with Amy's trial attorney, Mr. John Hurley, regarding my desire and willingness to testify at her trial.
3. To the best of my knowledge, my German counsel and Mr. Ackerman, my United States counsel at that time, both informed Mr. Hurley that I wanted to be in contact with him regarding pertinent information related to Amy's case that may have assisted her on certain issues, as mentioned below in Paragraph No. 4.
4. As stated by me in Exhibits N and P, I am not familiar with any role that Amy may have played in any drug or drug related activities between October 27, 1986, which is the date I understand that MDMA became an illegal substance through February 16, 1989, which is the date that I was arrested in Germany. More specifically, I am not aware of any instance that Amy was involved in the distribution, sale, importation or manufacturing of any MDMA from October 27, 1986, through February 16, 1989.
5. At no time did Mr. Hurley ever contact or interview me for information that may have assisted in Amy's defense. All efforts made by either me or my counsel were turned down or not responded to by Mr. Hurley, who apparently had no interest in the information I volunteered to offer.
6. As I expressed in Exhibit N and other exhibits I would have testified for the defense regarding the above and could have possibly clarified a number of issues and/or offered Mr. Hurley insight regarding the government's case against Amy.

I swear under the law of the United States that this declaration is true and correct to the best of my recollection.

Signed this 8TH day of May, 1998
